

WELCOME TO FOURTH GRADE!

Dear Parents and Students,

My name is Miss Taylor Boehn and I am so excited to be your Fourth Grade Teacher.

I am looking forward to having an amazing and inspiring year full of incredible learning! Throughout the year, we will strengthen and expand our skills as readers, writers, problem-solvers, and explorers. We will work together to create a classroom environment that is nurturing, inclusive and respectful to everyone's different learning styles. We will set daily goals for ourselves and motivate each other to help reach our full potential as Fourth Graders!

Over the summer, you will access our "summer work" google classroom page. There you will be able to complete math activities. You will also be reading *Tales of a Fourth Grade Nothing* by Judy Blume. You will complete activities to go along with the book. You can access these activities through our google classroom page.

Google Classroom Link:

<https://classroom.google.com/c/NDk0ODYyODU4MzQy?cjc=d3yv5vv>

Class Code: d3yv5vv

New students will not be able to access the work on Google Classroom (you will receive an account when school starts), but read the book by Judy Blume so we may discuss it in class.

**I look forward to meeting
you all in the fall!**

Miss Taylor Boehn
