

Dear Fourth Graders,

The time has come! Summer has arrived! Over the course of the summer read *The Cricket in Times Square* by George Selden. It's a super fun book about adventures and the importance of friendship! When school begins next fall we'll work on activities and have discussions about the book.

Over the course of the summer you'll also have to complete a total of 8 hours on your Edmentum Exact Path. Mix it up and work on your Language Arts, Math, and Reading skills so that you come into school in the fall still fresh and ready to learn and have fun! (New students, sorry, you can't do this yet. You will receive access to this program once you start school.)

Super excited to see everyone next year!

Mr. George
