

Welcome to Kindergarten at Holy Trinity Catholic Academy!

We will have tons of fun as we learn together and work hard. There are many things you can do with your child to keep their mind going in preparation for Kindergarten. The main focus should be on exposing your child to as many books as possible! Buy a book to read to them every two weeks and encourage them to turn the pages on their own. Read to them, have them read to you and allow them to discuss their favorite parts.

Just 20 minutes a day of reading will prepare them to be successful.
