

Welcome to Pre-K 4!

My name is Mrs. Krawitz, but my friends call me Mrs. K!

I am going to be your Preschool Teacher at Holy Trinity Catholic Academy. I hope that you are enjoying your summer filled with family fun. I can't wait to meet you in the Fall.

Here's what you can expect to do in my classroom this year:

- Learning letters and the sounds they make
- Learning about numbers and how they work
- Exploring with a variety of art materials
- Learning about our community and the people who live and work there
- Making friends and learning how to get along with others
- Learning about God and the Saints
- Exploring science and the world we live in

Now all that is missing is you!

Remember to bring your supplies, a backpack with lunch and a snack, and get ready for a year of learning! This is going to be an excellent year.

God Bless You,
Mrs. K.

Pre-K 4 Summer Work

Reading:

Read 20 minutes a day. Pick one story to talk about. Draw a picture of your favorite part. Discuss why you liked that part the best.

Talk about letters; especially the ones in your name.

Practice trying to write your name.

Math:

Count daily! Count your steps. Count the number of bugs in your yard. Count the days until we return to school.

Spend 10 minutes a day on a math app that explores shapes, patterns, sorting and number sense; such as:
happynumbers.com.

Exercise 20 minutes daily.

Explore **Science** by talking about nature.
