Welcome to Kindergarten!

Dear Students and Parents,

I hope you're all having a great summer! My name is Miss Mia Boehn and I will be your Kindergarten teacher this year at Holy Trinity Catholic Academy! This year will be filled with new friends, adventures and learning. We will learn in many different ways including singing songs, playing, and so much more!

There are a few things you can do to prepare for Kindergarten. The most important thing to do is read every day for 15-20 minutes! Looking at pictures, discussing what is happening, and finding words you know, will all help prepare students to read. In addition, review shapes, letter sounds and practice writing your name. Attached you will find some practice pages in math that students should complete as well as some handwriting pages students can use to write their name. I have included some read alouds that students might be interested in.

I am looking forward to meeting you all in the fall!

Miss Mia Boehn
