Fall Issue | Vol. 2 Issue 1 | Date: October 9, 2019

## HAA NEWS

### Who are we?

The Holy Trinity Catholic Academy Home Academy Association (HAA) is an organization of parents working together to help enrich the educational, social, and spiritual experience of all members of the HTCA community. We sponsor events as well as fundraise to help support and enhance the students' HTCA experience. The HAA can make a difference in creating the kind of school community where teachers, students, and their families feel a sense of connection and family with each other.

All parents are members of the Home Academy Association and are encouraged to participate in the HAA meetings as well as volunteer for any of the activities sponsored throughout the year. Meeting dates will be announced here as well as on the HTCA HAA website. As a reminder, the HAA exists solely as a volunteer organization. We solely depend on the energy and efforts of our community of parents and families to make all of these events successful.

Contact your HAA with any questions, comments, concerns, and to volunteer your time in any way at the following email address.
